

A Message from Our Principal

Welcome to the 2019-2020 school year! When choosing Saint Raphael School, you demonstrate a commitment to the values and philosophy of a Catholic education. At Saint Raphael School we are a community dedicated to guiding students in faith and knowledge. We educate and care about the whole child; academically, spiritually, emotionally, and socially. Our theme for the year is

“Go Make A Difference”

With our Catholic faith to guide us, we stand ready to meet the challenges and the adventures that await us this year. We look forward to the many possibilities and opportunities inherent in our mission “to work as a Catholic Community where we live our faith and learn through a commitment to academic excellence.”

The faculty and staff look forward to working with you to promote spiritual development and academic excellence in the context of the teachings of the Catholic Church. Together let us pray as Saint Ignatius of Loyola told us: “Act as if everything depended on you, trust as if everything depended on God.”

Future Parents of Saint Raphael School:

Thank you for your interest in our school. I am happy to arrange a private tour for families interested in enrolling at Saint Raphael School. We are extremely proud of our rich heritage of over 70 years preparing students for their future successes in high school and beyond. Saint Raphael school boasts interactive classrooms where faith, friendships, and technology blend to create authentic learning experiences for all students. Our STREAM learning is enhanced in the brand-new Innovation Center and our faith is shared in the Church and local community. I am excited to share with you all the benefits of joining Saint Raphael School. Please contact me with any questions or to set up your personal tour. I look forward to our partnership in developing your child’s future at Saint Raphael School.
